(continued)
The science requirement—Science 20 or 24, Biology 20, Chemistry 20 or Physics 20—may also be met with the 10-credit combination of Science 14 and Science 10.

Science 20 is not available in Francophone schools.

See information on exemptionfromthephysicaleducationrequirement.

See information on exemptionfromtheCALMrequirement.

Students may earn any number of credits in the study of second languages, but only a maximum of 25 language credits may be used to meet the 100-credit requirement for the Alberta High School Diploma.

Students entering Grade 10 in the 1998–1999 school year and subsequent school years will be able to use Physical Education 20 and/or 30 to meet this 10-credit requirement.

30-level English language arts or 30-level social studies courses from a different course sequence may not be used to meet the 30-level course requirement.

Students may earn any number of credits in Work Experience, but only 15 credits may be used to meet the 100-credit requirement for the Alberta High School Diploma.

FURTHER NOTES:

• For 30-level courses that have a diploma examination, the final course mark consists of a blend of the school-awarded mark and the diploma examination mark.

• For more information, students in Francophone programs should consult the Alberta High School Diploma Requirements for French First Language–Francophone.

• Mature students should consult the MatureStudents section for applicable requirements.
